Subject: Dan Powell/Cherry Hill update (M/049/021)

Lynn Kunzler called Dan Powell on 12/22/03 to check status of promised agreement (due 12/19). Mr. Powell explained that Steve Powell apparently contacted Nielson Construction last week about setting up a meeting and preparing a development/reclamation agreement. A meeting is supposed to be scheduled for this week, but he hasn't heard back from Steve yet regarding a specific date.

Dan said he will call Steve tonight if he doesn't hear from him today. He will call Wayne with information after he reaches Steve to confirm their plans.
